## **PROFIT WARNING**

This announcement is made by the board (the “**Board**”) of directors of Qeeka Home (Cayman) Inc. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the “**SFO**”).

The Board wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the unaudited consolidated financial statements and information available to the Board for the six months ended June 30, 2024, the Group expects to record (i) revenue between RMB550 million and RMB600 million for the six months ended June 30, 2024, representing an increase between 11% and 21% as compared to that of RMB497 million for the corresponding period in 2023, and (ii) a net loss between RMB45 million and RMB50 million for the six months ended June 30, 2024, as compared to a net loss of RMB17 million for the corresponding period in 2023.

Based on the information currently available, the expected increase in the net loss of the Group’s interim results for the six months ended June 30, 2024 was mainly due to the challenges to the growth of the SaaS and marketing service business as a result of the overall downturn in consumer sentiment in the interior design and construction industry; and an increase in impairment of long term investment of between RMB27 million and RMB33 million, which resulted in the increase in the net loss of the Group for the first half year of 2024.

The Group has been closely monitoring the market condition and regularly reviewing financial and operational metrics to quickly adapt and respond to market changes. The actual operating and financial conditions of the Group for the six months ended June 30, 2024 are to be further quantified and the Board will continue to monitor the situation closely.

However, Shareholders and potential investors should note that the Company is still in the process of finalizing the interim results of the Group for the six months ended June 30, 2024. The information contained in this announcement is only based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended June 30, 2024 prepared based on the Company's best estimation and judgements, which have not been reviewed by the Company's Audit Committee and without taking into account any other possible provisions, which have not been audited or reviewed by the Company's auditors and may be subject to adjustments. Shareholders and potential investors should carefully read the Group's interim results announcement for the six months ended June 30, 2024 which is expected to be published by the end of August, 2024.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.**
